Our Frankford Avenue Health Center has been a pillar in the community for over 20 years, and the healthcare providers and staff reflect the diversity and uniqueness of one of Philadelphia's most dynamic neighborhoods.

Located directly under the El in the heart of Frankford, the center expanded in 2004 to accommodate the growing demand for services, adding 25 extra exam rooms. Frankford is the only GPHA health center that also offers outpatient mental health and substance abuse treatment on-site, through our Frankford/AI-Assist Behavioral Healthcare Center.

*Greater Philadelphia Health Action offers comprehensive primary and behavioral healthcare, health services and childcare to you and your family. Since our founding in 1970, we have grown to be one of the largest and most effective providers of community healthcare in the area, serving close to 60,000 patients.*
