Woodland has been a vital resource in the Southwest community since opening its doors in 1986. We have continued to grow consistently - so much that we built a new, three-story home for the center last year. Located at 50th Street and Woodland Avenue, the Woodland Avenue Health Center now sits where a true historic Philadelphia landmark, the Mercy-Douglass Hospital and School of Nursing, once operated.

Greater Philadelphia Health Action offers comprehensive primary and behavioral healthcare, health services and childcare to you and your family. Since our founding in 1970, we have grown to be one of the largest and most effective providers of community healthcare in the area, serving close to 60,000 patients.
