New Frankford Avenue Health Center Grand Opening

*New expansion and renovation of a
Frankford community staple*

PHILADELPHIA, PA – The grand opening of the newly renovated and expanded Frankford Avenue Health Center will be held on Thursday, November 6, 2003, from Noon to 4:00 p.m. at its new address, 4500-4510 Frankford Avenue in Philadelphia.

The grand opening and celebration will include participants from Greater Philadelphia Health Action staff, Keystone Mercy Health Plan and the Frankford community. Highlights will be the ribbon cutting ceremony, open house and site tours and a special senior activities tent.

Frankford Avenue Health Center opened in 1983 and over the last 20 years has been a permanent and important fixture in the Frankford community. From prenatal and pediatrics, to adult medicine and geriatrics, Frankford Avenue Health Center serves the complete preventive health needs of Frankford. In 2000, Frankford Al-Assist Behavioral Health Care Center was opened making Frankford Avenue Health Center the only Greater Philadelphia Health Action, Inc. center to have on-site behavioral health care (substance abuse, alcoholism, mental health) services.

For more information on the Grand Opening Celebration contact David Shanks at 215-925-2400 ext. 1076.
