## What is Fioricet 40mg?

**Fioricet 40mg** is a combination medication specifically designed to treat **tension headaches and migraines**. It contains three active ingredients:

- **Butalbital** – a barbiturate that relaxes muscles and reduces headache tension.
- **Acetaminophen** – a pain reliever that alleviates mild to moderate headache pain.
- **Caffeine** – a stimulant that enhances the effects of the other ingredients, improving circulation and accelerating pain relief.

The combination of these ingredients makes **Fioricet 40mg** highly effective for fast and lasting relief, which is why many people choose to **buy Fioricet online** for convenient access.
